

Hi I am E-mailing you to discourage the implementation of the proposed (LPFM) radio band, on the bases that this would overtake the present radio station all my family members and I listen to. My family and I listen to Air 1 (90.1 FM) all through the day. What they do is so great that I adequately describe the importance of this radio station in my life. Air 1 literally fuels my day and I can't imagine my life with them! I hope this will help you to make the right decision.

God Bless You

Sincerely  
Kevin
